Dear [redacted]

I feel I must write to you to send our thanks for and congratulations on the most excellent service you gave us in connection with the recent events in the Middle East. We have become accustomed to such a high standard from the Mediterranean Bureau that I am afraid we are inclined to take so much for granted, but your coverage of Egypt and Syria has indeed been outstanding and I cannot allow it to pass without sending to you and your staff our appreciation.

Yours sincerely,

J.T. Campbell
